

...nothing but a pleasurable experience. Somehow you have found the twinkle in her toes and helped her to progress to her current level. She has excelled physically, emotionally and personally! Thank you for giving her the opportunity to shine. —TDI Parent

My husband and I were very impressed with the professionalism of the year-end show and, of course, we cried like babies when we saw our daughter on stage. Thank you also for all the kindness you have shown her since she joined your school. —TDI Parent

INDUSTRY

— EST. 1988 —

Offering professional dance training since 1988. We understand that people dance for different reasons. Our wide range of programs allows us to customize a course to fit your needs. Whether you choose dance as a form of exercise, as preparation for a career, or simply for fun, Toronto Dance Industry has something for everyone. Toronto Dance Industry is family owned and operated, providing a relaxed and inviting environment for everyone. Our “friendly atmosphere” makes us “easily approachable” as often expressed by many of our clients. Our goal is to promote professional dance in an atmosphere of comfort and enjoyment. We take pride in our commitment to the personal growth and achievement of every dancer at the studio. We have worked hard over the years to build this reputation and it remains our number one priority to our clients.

State-of-the-Art Facility

Our 14,000 square foot facility makes Toronto Dance Industry one of the largest dance studios in the Greater Toronto Area. Each of our six air conditioned studios is fully equipped with wall to wall mirrors, permanent ballet barres, professional sound systems and sprung floors to prevent impact injuries to bones and muscles. In addition to the quality training we are known for, Toronto Dance Industry has much more to offer than the average dance studio. Other amenities include multiple girls and boys change rooms, locker room, lunchroom, full-time reception staff, viewing windows and monitor's, parent Workout Room and Quiet Room with free wireless Internet.

Located at 1530 Birchmount Road in Scarborough, our main street location is easily accessible to both drivers and those taking public transit. Plenty of free on-site parking is available at both the north and south entrances to the studio.

Programs

Recreational Program

Offered to boys and girls ages 2 1/2 years to adult. Toronto Dance Industry offers one of the largest programs in the city for dancers who choose to train at a recreational level. Our extensive class schedule makes it easy to our classes into your already busy schedule. The focus of these classes is on fun, fitness and learning, while developing coordination and rhythm, while instilling life skills such as social interaction, confidence, discipline and creativity.

All recreational students perform in our annual recitals upon the completion of each dance season. This dance spectacular is the highlight of our Recreational Program each year. The recitals are held in a beautiful theatre, complete with professional lighting, sound and costumes.

Competitive Program

Our award-winning Competitive Program is commended time and time again from adjudicators across North America for our strong technique and performance. TDI is continuously recognized for our dedication to age appropriate costuming, choreography and music choices. This is an intensive program that requires a higher level of commitment from students and their families. Entrance into the Competitive Program is by either selection or audition only.
